BARBADOS

Our Story

Beach View is a 55-unit Condominium Hotel set on five acres of Barbados' famed West Coast, just steps away from the beach. Beach View started its journey in 2008 & has since expanded, opening 19 new units & a host of new amenities in 2018. The hotel now features 4 swimming pools, a large reception, full-service restaurant, fitness centre, spa & salon.

Ownership Structure

- The villas are sold freehold.
- The common areas of the development, which include the reception, restaurant, gym & spa, swimming pools & parking lots, are owned by all condo owners.

Management Structure

- Owners enter into a rental management agreement with Beach View Property Ltd. This company has been established by the developer with the prime purpose of managing the property as a hotel. All management, reservations & accounting support services are supplied as part of the agreement.
- Units are sold fully furnished. The property is fully serviced to include housekeeping services in all rooms, 24-hour security & regular swimming pool & garden maintenance.
- The unit stays in the rental program year round, and owners can choose to use it for up to 3 months per year, based on the terms of the rental pool agreement.
- All expenses & revenue are pooled thereby offering a fair distribution of net revenues between all owners. No one unit will be favoured over another.
